

Brandon“Scott”Bartle

I am writing to express my interest in becoming a board member for the National Property Owners Association. My wife and I just recently moved into National No.9 community from Sorrento Florida, a small town just northwest of Orlando. In Sorrento we lived in a Golf course community called Sorrento Springs for the past 18 years. The golf course was semi private and privately owned. We had 475 single family homes and 176 townhouses within the development.

I am retired after working for AAA, the American Auto mobile Association for over 29 years in a variety of leadership positions. In our community I was the HOA board treasurer for Sorrento Springs HOA for 6 years having been reelected twice after my first two-year term. I also served as architectural review board chair for 3 years prior to becoming treasurer.

After I retired, I became very active with Seniors First organization in Orlando for three years working as a volunteer. I would move between working the food pantry, site management for Meals on Wheels and route delivery for Meals in Wheels. I will be looking to continue my volunteering in the community of Pinehurst along with my wife who still works as an airline pilot). I can provide references for the Sorrento HOA and volunteer organization Seniors First at your request.

Respectfully,

Brandon Scott Bartle

Bob Milligan

Bob Milligan has over 42 years of work experience and has served at all levels of management in complex, technically driven environments. After an outstanding 27 year Navy Career, where he served in numerous senior management positions afloat and ashore, including Commanding Officer, US Fleet and Industrial Supply Center, Yokosuka, Japan; Director, Weapons Systems Support Group, NAVICP and Director, Defense Business Operations (DBOF) Supply Management Division, Naval Supply Systems Command. He is the recipient of numerous military awards and is a DAWIA Certified Acquisition Professional.

Upon retirement from the US Navy in 1999 he joined American Management Systems (AMS) until 2024 when AMS was acquired by CACI. He joined CACI as a Senior Vice President until his promotion to Executive Vice President and his selection as the MPS Operating Group Manager that expanded the company's business with the U.S. Navy, Marine Corps, and U.S. Coast Guard. Additionally during his tenure at CACI he actively participated in their aggressive M&A efforts.

In 2015 he joined Cowan and Associates, INC as the President of the company until its acquisition in 2019. During his tenure he doubled the size of the company. The purchaser of the company requested that Bob remain with the parent company as the President of both companies to successfully integrate the two companies. He held these positions until his retirement in late 2021.

Bob continues to serve as a visiting professor in support of the Executive Education program at UVA's Darden School of Business as well as conducting seminars for senior Navy officers retiring from the Navy and entering private industry.

Prior to relocating to Pinehurst in 2021 Bob served on his HOA board for over 10 years as its treasurer,

Bob holds a bachelor's degree from the University of North Carolina at Chapel Hill; a Masters Degree in Financial Management from and has completed the Program for Executives (Business Administration); Graduate School of Industrial Administration, Carnegie-Melon University, Pittsburgh, PA.

Bob and his wife Maria, live at 242 National Dr. They have two grown children and 6 grandchildren who live in the northern Virginia area.

W. Scott Saunders

In terms of professional focus in the latter stages of my career, my energy and passion were centered around servant leadership, specializing in mentoring and coaching nuclear leaders and nuclear leadership teams. My 3.5 year assignment to the Institute of Nuclear Power Operations prior to retirement enabled me to travel the world assessing nuclear plant leadership and team effectiveness, organizational culture, and performance improvement across the globe.

My faith and family will always be my top priority. I have been blessed to be married to my beautiful bride, Linda, for 30 years. We have 3 adult children, the oldest daughter who is married and living in Newport, RI, and currently expecting our first grandchild. Our next daughter lives in Madrid, Spain, and has travelled the world with over 25 countries documented in her passport. Our youngest son lives in Raleigh and is currently finishing his bachelor degree in computer science.

When not golfing with Linda or our neighbors in our fabulous community, my main interests and hobbies revolve around sports. I am an avid football, hockey, and golf fan, and love to watch or attend sporting events whenever I can. Additionally, Linda and I love to travel, and my previous work assignment and daughter in Spain have afforded us many opportunities to travel overseas and experience the extraordinary people, cultures, and beauty of much of the world.

Being recently retired, I am most interested in serving and giving back both in our church community and our wonderful neighborhood. Linda and I are both very proud of this community and endeavor to keep it beautiful, safe, and inviting. Participating on the Board of the National Property Owners Association will afford me the opportunity to both serve and add value to the best of my ability in the top neighborhood in Pinehurst, NC.
